**PLM Trailer Leasing announces  
Branch Safety Award Program**

PLM Trailer Leasing promotes and fosters an environment where safe work habits and conditions are constantly in focus.

According to PLM Director of Safety and Compliance, Carl Rizer, “PLM wishes to reward those who consistently work safely and create an environment safe from harm. We have instituted a Branch Safety Awards program to reward our fellow teammates for their diligence in this endeavor. Our technicians who complete a quarter without suffering a missed time incident and have not been cited for not wearing proper Personal Protection Equipment receive a \$50 gift card and are eligible for one of two annual \$500 grand prize gift cards”.

In addition to the Technician Safety awards, PLM also recognizes those who continue to focus on Safety by creating the “**Bright Idea Award**”. This program rewards any employee who recognizes an unsafe work condition or practice and suggests a remedy to correct the condition. If this improvement suggestion is subsequently adopted by the company nationwide, a \$100 gift card is awarded to the PLM employee.

PLM stocks a wide variety of refrigerated semi-trailers for rent or lease including single-temp and specialized multi-temp units for the Food Service industry. With this expansion PLM now operates a North American network of more than 30 locations across the United States and Canada.
